RETURN TO DESIGN DIV.

Pinecrest and Loompride sheets are made with a 2" hem on each end for ease in bed making and to provide more uniform wear. All sheets and pillow cases are quoted in torn lengths, before hemming. We do not recommend the use of sheets shorter than 99" for ordinary use.

Seconds in above sheets and cases are sometimes available and bear a discount of 7½%. If desired, orders should state "may apply seconds."
